TPA Baseball is the Home of the Texas Stix Baseball Club. We are a "Premier" baseball club that works with players ages 10-18. Our ultimate goal every year is to provide every player the opportunity to compete in College and beyond. TPA Baseball provides the Texas Stix with professional training & coaching as well as show-casing our upper-classmen to Texas college coaches & pro scouts through tournaments & camps.

Our players come from every city in Tarrant County. We have strong relationships with many area High School coaches, and support their booster clubs by playing local tournaments on their fields. We raise thousands of dollars every year for many area High Schools by utilizing their Concessions.

Sponsorship and Fundraising endeavors enable those players who are limited by financial constraints to compete and excel to their fullest potential. Without this support, many deserving student athletes could not obtain the coaching and training they need.

We would like to invite you and your business to become a Texas Stix Sponsor by advertising at TPA Baseball. Our Business Banner Fundraiser gives you the opportunity to advertise for your business inside our Training Facility as well as on our Websites. TPA Baseball & Texas Stix would like you to thank you and appreciate any support your business can offer.
